

Q and A time!

elpir/super mudbug: do you like video games? if so, which ones?

I do like playing games. I used to actually make them professionally. My favorites are Crash Bandicoot 2-3 and Final Fantasy Tactics.

Viktorov: when did you start making comics??

Damn..I started 2005 I think.  
...they were so bad...so bad.

Potato\_Queen\_: if you were a vegetable...  
how would u look like?

An apple. Apple a day keeps the doctors  
away....I have a lot of doctor cousins.

pothageu: Are almonds our masters?

Yes.....they cure everything.

TheLittleTwat: do u have a pet? if  
so.what's your pet?

I do not have a pet because I live in  
San Francisco and it's a pain having a pet  
out here.

Aparajeet Banerjee 3: Mine is do you cook? how  
good are you? can you set water on fire  
like shen can?

I can...not cook. But I can set things on  
fire. Water...though might be hard.

SACROS816: Where did you get comics idea from? And when did you start making comics?

Most of my ideas come from my friends and family  
Also after doing comics (since 2005 I think) you  
learn to twist events or things into comics.

Celeste: what's your opinion on the various kinds of chocolate?(milk/dark/white etc)

Hmm.... I like milk chocolate because I like milk. white chocolate is cool. Dark chocolate is terrible.

Laura Gonzalez: Is "Pigmented" your only work or have you done something else, or are you working on anything else?

I'm working on an animation and I make wooden prints like this:

Jack of All Trades: I wanna know  
more about grandma

The Grandma character is based on my grandma  
and all my aunts. I really don't know what else to  
say....other than here is a picture of her:
